

# Cardiff University Science in Health Public Lecture Series

CARDIFF  
UNIVERSITY

PRIFYSGOL  
CAERDYDD

## October 2014 - March 2015

**A series of free public lectures  
with two main aims:**

- ▶ To open up areas of concern in health care
- ▶ To present new research on health issues to the public

[www.cardiff.ac.uk/medicine/push](http://www.cardiff.ac.uk/medicine/push)

## About the lecture series

The highly successful Science in Health Public Lecture Series is now in its twelfth year and attracts a diverse audience of interested individuals including the public, secondary school pupils and professionals. The lectures are FREE to attend; no booking is required unless stated otherwise in the programme, so please arrive promptly to ensure a good seat. There will be opportunities for sixth-form students to meet with some of the speakers before the lectures - for more information please contact [engagement@cardiff.ac.uk](mailto:engagement@cardiff.ac.uk).

## Directions

Unless stated otherwise, lectures will be held in the Large Chemistry Lecture Theatre, Main Building, Cardiff University, Park Place, CF10 3AT. Disabled access and free parking are available. **Lectures start at 7pm.**
